Job Title: Home-Based Medical Care - Provider (MD/APRN)

Location: Community-Based / Patient Homes

Type: Full-Time

Organization: [Your Organization Name]

Lead with Compassion—Deliver Care Where It Matters Most

Make a meaningful impact—one home at a time.

Are you a skilled and compassionate, autonomous clinician looking to deliver care where it matters most? Join our dedicated team providing **primary care, palliative, and hospice services** directly in patients' homes. In this deeply personal and dynamic setting, you'll be empowered to deliver high-quality, patient-centered care with flexibility, independence, and purpose.

What You'll Do

- Provide comprehensive medical assessments and chronic care management in patients' homes.
- Deliver primary care, symptom management, and end-of-life support aligned with patient goals.
- Travel independently across your designated service area.
- Collaborate with interdisciplinary teams to manage care plans and referrals.
- Document visits using mobile EHR tools in real-time or post-visit.
- Communicate compassionately with patients, families, and caregivers.
- Respond to urgent needs and adapt care plans as conditions evolve.
- Participate in team meetings and quality improvement initiatives.

What We're Looking For

- Licensed MD or APRN in the state of practice.
- At least 2 years of clinical experience—geriatrics, palliative, or hospice preferred.
- Valid driver's license and reliable transportation.
- Comfortable working solo in varied and unpredictable home environments.
- Proficient in EHR systems and mobile technology.

You'll Thrive Here If You Have:

- **Clinical Autonomy** – Confidence to make sound decisions in the field.
- **Emotional Intelligence** – Sensitivity to family dynamics and patient emotions.
- **Adaptability** – Comfort with logistical challenges and changing environments.
- **Cultural Competence** – Respectful care delivery across diverse communities.
- **Strong Communication** – Clear, compassionate, and professional interactions.

Why Join Us?

- Flexible scheduling to meet patient needs.
- A supportive, interdisciplinary team.
- Opportunities to shape the future of home-based care.
- A mission-driven culture focused on dignity, compassion, and quality.
